Well And Happy,
Are Enroute To
Manila, Families

MANILA (AP) — The 11 American airmen freed by Red China tonight arrived at Clark Air Force Base from Hong Kong, where they earlier had crossed happily over the border to freedom.

They were met by Brig. Gen. William L. Lee, commander of the U. S. Fifth Air Force, and by U. S. Ambassador Homer Ferguson.

It was sort of a homecoming for all eleven. They previously were attached to the 581st Wing at Clark before they went to Korea on rotation in 1952.

and JOHN RODERICK
HONG KONG (AP) — Eleven U.S. airmen happily crossed the Hong Kong border to freedom today in good physical shape and mental spirit after 2½ years captivity in Communist China.

Five and a half hours after their release, the 11 left in two plush Air Force transports for Manila. From there they will be flown to Tokyo and the U.S. West Coast for reunion with their families.

Col. John Knox Arnold Jr., 41, Silver Spring, Md., their leader, bitterly told a press conference, "Peeping is not entitled to a - - - damn thing" in now releasing the 11 B29 crew members. Communist China convicted them as spies last November. They had been held since their plane was shot down Jan. 12, 1953, in the Korean War.

Arnold declared his B29 was shot down 35 to 40 miles south of the Yalu River China border while on a leaflet dropping mission over North Korea. All crewmen bailed out and were captured in North Korea, he said in his first chance directly to deny Communist China's assertion the plane intruded into China.

Two medical checks after they crossed the border bridge to freedom today showed all in "fairly good condition," three doctors reported.

Maj. William H. Baumer, 32, of Lewisburg, Pa., was on crutches. He said his left leg was wounded when the plane was shot down. He later suffered frost bite.

Elated in their freedom, the fliers refused to look back into the Red China.

Arnold glanced over his shoulder and said, "That is all. I don't want to look back any more." Another said, "I can't. I won't look back."

Emotion so choked Arnold when he was called before television and newsreel cameras at Hong Kong's plush Jockey Club that he couldn't speak. He turned away and mumbled, "I simply can't say how I feel."

Good Mental Health
"All of the men appeared to be in excellent mental health," Lt. Col. James M. Davis, the chief medical officer, told newsmen after competing a second examination of each man.

Davis said he "found the boys in pretty good to good physical health. They seemed to have worked hard, exercised themselves on their own and they have retained pretty good muscle tone."

Davis said the medical team had given each of the 11 a thorough examination of eyes, ears, nose, throat, chest, heart, abdomen and extremities. "And the men came through very well, considering what they have undergone."

The other doctors are Capt. Willard H. Pennell, Santa Cruz, Calif., and B. W. Midley of Endicott, N.Y.

Dance In Showers
The airmen's spirits bubbled when they were free and alone in their quarters. They gaily danced in hot showers. Lathering his face, Arnold shouted, "Smell this good soap." They bounced on foam rubber mattresses and white percale sheets.

In new uniforms, they ate steak so lustily one yelled a warning, "You're going to be sick."

And another replied: "I don't give a damn if I do get sick. Nothing could spoil this."

The men were shot down on what the Air Force called a "routine leaflet-dropping mission over" (Continued On Page 2)

Senate Expected To Kill Income Tax Bill Today

HARRISBURG (AP) — A compromise tax conference by Gov. Leader and legislative leaders broke up today with an announcement that Senate Republicans haven't changed their minds about killing the classified income tax.

Sen. Rowland B. Mahany, Senate Republican floor leader, said the conference was "interesting," but added:

Republicans had entered the sessions "somewhat suspicious" that it was called by the governor simply to forestall death of the 411 million dollar income tax levy.

Russia Rejects Eisenhower's Offer To Exchange "Secrets"

By STANLEY JOHNSON
MOSCOW (AP) — Premier Bulganin today turned down as "unrealistic" President Eisenhower's plan for a swap of military blueprints and mutual air inspection of each other's territories.

Deputies to the Supreme Soviet (Parliament) assembled in the Great Kremlin hall burst into laughter when Bulganin said the real effect of the President's proposal would not be considerable because "both countries have limited territories on which one could hide anything."

The President offered at the Geneva summit conference on July 21 to pinpoint American military establishments and let them come under the eyes of Russian aerial inspection teams in return for reciprocal action by the Russians.

The President said he made the proposal to convince everyone of "the great sincerity of the United States in approaching this problem of disarmament."

Gave Long Report
The Soviet premier's rejection of the Eisenhower plan came near the end of his 95-minute report to the Soviet people on the Geneva

conference. He spoke to a special session of 1,500 deputies to the Supreme Soviet.

He told 1,500 deputies assembled from the Soviet Union that the Geneva parley "ranks as an important historic event since it opens a new page in relations between the U.S.S.R., the United States, Great Britain and France."

The diplomatic and public galleries were jammed.

Top figures of the Soviet government sat behind Bulganin as he spoke. The government box included Deputy Premier Lazar Kaganovich, Khrushchev, Foreign Minister V. M. Molotov and President Klementi Voroshilov. Former Premier Georgi Malenkov sat in the center of the second row, Deputy Premier Mikhail Pervukhin next to him and Deputy Premier Anastase Mikoyan at the end.

DEMOCRATS TO GO AFTER 9,000 UNLISTED VOTES

Two hundred Democrats met Wednesday evening at the Court House here to set up plans for a registration drive during which they hope to ring the doorbells of all potential voters in the county and invite them to sign up to vote.

The campaign is to get underway in time for the start of the special registration period August 15. Registration ends September 17 until after the November election.

Democratic County Chairman Fred G. Klunk, presiding at the meeting, said a survey of the county indicates that there are "approximately 9,000" adults in the county who are not registered and thus not eligible to cast a ballot.

To Offer Transportation
The Democrats plan to call on that number and invite them to register — either when the traveling registrars are in their locality or at the Court House here. And the Democrats will offer transportation to those who are willing to sign up for voting.

Klunk said the Democrats would provide the service whether the potential voter was a Republican or a Democrat, but admitted the Democrats hope to find a large number of fellow party members in their search for new voters.

The county was divided into eight zones with committee chairmen and co-chairmen named for each zone. Those chairmen will set up the committees within their zones, securing as many canvassers for the drive as possible. The campaign will get underway in time for the start of the special registration which begins August 15.

Want Registrars At Fairs
Klunk also announced that he plans to ask the county committee (Continued On Page 2)

WEDNESDAY'S HIGH WAS 98

The temperature climbed above 90 degrees this afternoon for the fourth straight August day after 22 days of above-90 weather in July.

Overcast skies in the late afternoon on Wednesday held the temperature at 98 degrees after the year's high mark was set at 102 on Tuesday.

A few drops of rain fell here Wednesday evening about 6 o'clock and scattered thundershowers are to become "more prevalent." But there was no promise of relief from the heat in today's forecasts.

The weather's having a tantrum again. The unpleasant facts are these, the Associated Press said.

The dry air which blanketed the state Wednesday has gone and quite warm and humid air now covers all of Pennsylvania. It will get worse before it gets better: temperatures are expected to climb into the 100s on Friday in a few places. There isn't even a cold front in Canada that might hold out some hope of bringing relief from the current heat wave.

SCOUTS WILL MAKE NINE-DAY CAR, CANOE TRIP

Eighteen Explorer Scouts from Adams and York Counties will take part August 19 through 28 in a car and canoe trip to Canada, it was announced today.

Charles S. Harris, E. Middle St., former scout field executive for this area, and Oliver Peifer, Ortanna R. D., assistant Black Walnut District Commissioner, will be in charge of the trip.

The scouts will include Thomas Evans, Crosby Hartzell Jr. and Larry Herring, of Gettysburg; Robert Walker, New Oxford; Edward Deardorff, Arendtsville; John Sauter, Ortanna R. D.; Ray Schwartz and Frank Ehlman, Biglerville. The remainder of the group are from York County.

Harris explained that the tour in which the youths will travel 1,800 miles by auto and 150 miles by canoe is sanctioned by the York-Adams Boy Scout Council.

To Visit Toronto Fair
The youths will travel the first day to Fort Niagara, and then, after viewing the Niagara Falls area, the next day will continue to North Bay, Ontario, where they will stay Saturday night. The canoe trip will start on Lake Tamagami and the group will travel for 3½ days on water, tenting at night along the lakes and streams. They will spend August 27 at the Toronto Fair and return to Niagara Falls that night, Sunday, August 28, after church, the group will start home, visiting the Grand Canyon of Pennsylvania enroute.

It will also give more pressure on the mains, thus helping the pressure situation in some of the higher sections of the town.

Whether the water softener system will go into operation in the near future is still a question, authority officials said, but experiments are being conducted to determine whether the exceedingly hard water in the wells can be softened to such an extent that it can be used at any time.

At present the wells are used only in extreme emergency, because of the hardness of the water which gives a different taste to the water supply and provides problems with machines and pipes. Present status of the experiments has led engineers to believe that a water softening device can be secured to permanently "cure" the hardness of the water.

COUNTY TO PARTICIPATE IN PURDUE PANEL

Donald Dillon, son of Mr. and Mrs. Carroll Dillon, Ortanna R. D., and an associate member of the Gettysburg High School's "Battlefield Chapter" of the Future Farmers of America, will be one of the participants in a panel discussion on "Cooperative Education — How We Do It" Wednesday afternoon at the American Institute of Cooperation at Purdue University, Lafayette, Ind. He graduated from Gettysburg High School in 1953.

Dillon will be one of a number of outstanding young farmers from throughout the nation participating in the panel. His attendance is sponsored by the Pennsylvania Association of Farmer Cooperatives. He was selected because of his membership and activities in a number of cooperatives in this area. He is one of five county boys who will be attending the institute next Monday through Thursday.

Others to Attend
Other includes: Richard Herr, New Oxford FFA chapter member, a Keystone Farmer degree holder and secretary of the state Future Farmers of America chapter; James Singley, son of Mr. and Mrs. William Singley, Ortanna R. Ted L. Crouse, Gettysburg R. 1, who had originally been scheduled to be one of the contingent sent to Purdue under sponsorship of the Adams County Farm Bureau, will be unable to attend because he is now serving in the armed forces.

The county group will be accompanied by Elmer Schriver, agricultural education teacher at Gettysburg High School.

The Gettysburg Exchange Club was commended in the July issue of "The Exchangeite," national Exchange magazine, for its donation of \$100 to the Warner Hospital building fund, and for being the first group in the county to make such a donation.

Recess Talks With
Red China Again
GENEVA (AP) — The United States and Red China today called another recess — this time until Monday — in their secret talks.

There was no word whether Red China had agreed to release 40 American civilians it holds.

U. S. Ambassador U. Alexis Johnson and Chinese envoy Wang Ping-nan talked for an hour and a half on the question of the civilians, but neither would indicate what progress, if any, had been made.

A U. S. spokesman announced only that they would meet again Monday on the same subject.

This was seen as an indication that one or both of the ambassadors required instructions from his government. They had first discussed the issue of the civilians Tuesday and then recessed for 48 hours.

Despite apparent failure of today's session to produce agreement, rumors persisted that the release of the American civilians could be expected soon.

RE-ORGANIZES YORK SPRINGS SPOTTER POST

Plans for reorganization of the York Springs Ground Observer post were announced today by Harry M. Pasick, Civil Defense director for the York Springs area, who has also been named as supervisor of the spotter station there.

Pasick said he plans to establish two-hour shifts for the post, replacing the present three-hour daylight and four-hour night periods of spotter post duty. Pasick said he believes more people can serve two-hour periods with greater ease than is true for the longer periods, and that "the duty" thus will be lighter for all.

Those who have served with the post, "many of them faithfully since the day the GOC center was established here," are scheduled to help with the reorganization which will bring a great number of additional persons into the operation of the spotter station.

Appeals To Community
Pasick asked "all organizations, churches, clubs, schools, etc. within the area to take responsibility for one day of operation. If that can be done then the effort required from each person will be slight, and we can have a post in operation seven days a week, 24 hours a day."

In the interim all persons currently serving are asked to keep to their regular schedules and if possible add an extra period of duty.

An organization meeting will be held "in about two weeks" to arrange for the new set up of the post and Pasick said, "at that meeting a number of special commendations will be awarded to members who have served the post faithfully for a long time, among them Mr. and Mrs. Glenn Yeagly, the only persons from the Gardners area now serving, who have not missed a single period of assigned duty since the post was dedicated."

To Change Name
The name of the York Springs spotter post will be changed to the North Adams Ground Observer Post, Pasick said, and "the schedule will no longer be segregated into four areas, it will be set up on a monthly basis of operation. We fervently hope that all former members of the post will again serve."

Pasick asked that leaders of the various organizations in the North Adams area contact him for further information and that individuals wishing to serve telephone him at York Springs 21. Anyone over 15 years of age may volunteer for the duty as a ground observer assistant to the U. S. Air Force, Pasick said.

DEMOCRATS TO

sioners to have special registrars sit at the Adams County Fair, near Abbotstown, next week and at the South Mountain Fair in September "to provide an opportunity to get as many persons registered as possible. If the commissioners can see their way clear to have special registrars at those fairs it would be a convenience for many people. To be good citizens people should vote, and to vote they need to be registered and we are seeking to make it as easy as possible for residents of the county to be registered."

Rice, Attorney Richard A. Brown, Judge W. C. Slocy and William J. Lederer, Philadelphia, first deputy secretary of revenue for Pennsylvania.

North Korea." The Red Chinese sentenced them last November as spies to prison terms ranging up to 10 years.

The United States declared the charges "trumped up."

Leave Peiping Sunday
Peiping announced their release Monday, just before the opening of U.S.-Chinese negotiations in Geneva.

Capt. Eugene John Vaadi, Clayton, N.Y., told how they first learned they would be freed.

"Last Sunday night, they came to get us. They told us they were going to have a party. They took us to a room and there they told us we would be released at once. An hour later, at 10 o'clock Sunday night, we got on a train at Peiping."

Vaadi asked newsmen to get to his wife this message: "Betty, I am coming home. I'll be there just as soon as I possibly can."

Airman Daniel C. Schmidt, Redding, Calif., whose wife had remarried in belief he was dead, heard no mention of it. Newsmen were under strict orders not to let slip any hint because doctors warned against possible shock.

Greeted On Bridge
Lt. Col. O. W. D. Simpson, Smithfield, Va., U. S. air attaché in Hong Kong, strode nearly to the far end of the 200-foot border bridge to greet the men:

Capt. Elmer F. Llewellyn, Missoula, Mont.; Lt. Wallace L. Brown, Banks, Ala.; Lt. John W. Buck, Armatawhite, Tenn.; Sgt. Howard W. Brown, St. Paul, Minn.; Airman Steven E. Kiba, Akron, Ohio; Airman Harry M. Benjamin Jr., Worthington, Minn.; Airman John W. Thompson III, Orange, Va.; Arnold; Baumer; Vaadi; and Schmidt.

Simpson welcomed them "in the name of the United States government, the American people and the U. S. Air Force."

Arnold gripped his hand and said, "We are sure glad to see you."

Only Doing Duty
In a formal greeting U. S. Consul General Everett Drumright expressed an official view in declaring, "You were only doing your duty as part of the United Nations effort to repel aggression in Korea when you were captured."

The new uniforms fitted the men loosely. Arnold said ruefully, "Once I was quite fit." He quickly added he feels "very well but somewhat tired."

Vaadi reported the men knew nothing of U. N. Secretary General Dag Hammarskjöld's trip to Red China to urge their release until "eventually in letters that arrived very late from home."

"We were lucky to hear any news at all about anything," Vaadi said.

His first letter from home reached him Sept. 8, 1954, about six weeks before Peiping radio announced the airmen's conviction.

All Force officers said the men had a combined accumulated pay of more than \$70,000. A small portion will be paid here and the rest when they reach home.

Telling of the MIG fighter attack which forced the 11 to bail out of their flaming B29, Arnold told the news conference:

"I don't know the exact spot. But we were on a routine leaflet mission against six targets in Korea."

Bulgarian hailed the fact that the summit conference had been convened 10 years after Potsdam, where heads of government met to discuss international problems at war's end. He said this had "an important significance."

He made three main points about the conference:

1. Geneva helped to ease international tension.

2. The personal contact there proved fruitful.

3. It marked the beginning of putting an end to the cold war. He pledged the U.S.S.R. would do everything in its power to help to end the cold war.

He said all four powers displayed a desire at Geneva to end the cold war.

Referring to Eisenhower's plan as a step toward disarmament, Bulgarian said:

"We must pay tribute to his efforts for a settlement of this question, but the real effect could not be considerable and we said in unofficial talk (at Geneva) that both countries have limitless territories on which one could hide anything."

"Cooperations, Understanding"
Bulgarian said that at Geneva "the heads of the four powers established personal contacts, official and unofficial, in an atmosphere of cooperation and mutual understanding."

Bulgarian said the Soviet Union had been working for such a conference for a long time in order to lower international tension. He said the Soviet Union was motivated by the principles of Leninism calling for peaceful coexistence between states of different economic and political systems and a struggle for peace.

The deputies will debate Bulgarian's report tomorrow. They will also approve actions taken by the Cabinet and the Presidium of the Supreme Soviet in the period since the last meeting in February. The Presidium acts for the Supreme Soviet between sessions.

JACKSON GETS UNANIMOUS WIN OVER CHARLES

By JACK HAN

SYRACUSE, N.Y. (P)—The Hurricane Jackson camp is singing "We told you so" and Ezzard Charles' managers are yelling for a rematch after last night's furious heavyweight scrap at War Memorial Auditorium.

Jackson, the 23-year-old perpetual motion man from Far Rockaway, N.Y., showed why they call him Hurricane in winning a unanimous 10-round decision. After the first three rounds, he poured punches at the former champion, flapped an annoying jab into his face and danced a jig between rounds.

No Knockdowns

Trim at 191½, Jackson was in the best condition of his 27-bout career. Charles, now 34, weighed 191½ pounds.

Judge Dick Fazio scored the match a lopsided 8-2. Judge Ted Shelly saw it 6-2-2 and Referee Ruby Goldstein 6-4.

There were no knockdowns, although Jackson balanced precariously face down on the ropes in the second after being rushed by Charles.

Down the stretch, a tired Charles tried to concentrate on landing one final bomb that would stop his opponent. Jackson merely shook off the heavy punches and came back for more.

May Get Re-Match

"We told you so," said trainer Freddie Brown in Jackson's dressing room. "He was in his best shape because he listened to people and stayed in the country at training camp. How'd you like that job? He always had it but he wouldn't use it. Now he's grown up."

Charles said he had underrated his opponent. "I heard a lot about him but I figured I'd be able to catch up to him. When I did catch up I couldn't get off. Next time I'll know how to fight a swarm of bees."

There will be a next time, probably in October, if Jim Norris, president of the International Boxing Club, agrees with his matchmaker Billy Brown.

Lawyers Ask Appeal In Gaspe Murder Case

QUEBEC (P)—Attorney Francois Gravel has asked the Canadian Supreme Court for permission to appeal the murder conviction of Wilbert Coffin who is scheduled to be hanged Sept. 23 for the slaying of three Pennsylvania hunters.

Coffin was convicted of murdering Richard Lindsey, 17, of Hollidaysburg, Pa., whose body was found in the Gaspe bush July 23, 1953, near the bodies of his father, Eugene, 47, and Albert Clair, 19.

Rhee Gives Hint At Co-Existence

SEOUL (P)—President Syngman Rhee today vaguely hinted that coexistence with the Communists might be possible if they withdraw from land south of Parallel 38. "The Communists must do it if they ever want to realize so-called coexistence with the free world," he said at a news conference.

He refused to elaborate. But it was unusually mild talk from the fiery 80-year-old leader who has long advocated reuniting Korea by force.

Officials Strike At Obscene Magazines

PHILADELPHIA (P)—Delaware County and Philadelphia authorities have announced they plan a joint crackdown on distributors of obscene magazines.

Vincent G. Panatli, first assistant and district attorney of Philadelphia, said yesterday he and Dist. Atty. Raymond R. Start of neighboring Delaware County agreed to work in close coordination to halt the distribution of objectional periodicals.

HARRISBURG (P)—The State Agriculture Department said today that even Pennsylvania's honey bees are having their troubles with the prolonged hot, dry spell. The weather has reduced supplies of nectar from blooming plants and prospects for late summer and fall nectar plants are "very discouraging," the department said.

Fairfield Is Not Mourning Loss Of Train: When the Western Maryland railroad's 6:15 o'clock passenger train leaves Fairfield depot this evening that little community will be without passenger train service.

But with the passing of passenger service there will be no mourning in the thriving community of Fairfield. Most folks there have automobiles, or have friends who have machines and in recent years few folks used the train service out of that town.

Wednesday Cecil Nary and his son, Clifford, were mowing on their farm. They saw a turtle in the grass and caught it. On its back were the initials "W. R. June 15, 1915."

Today's Talk

THE DEBTS WE OWE

The money debts we owe from month to month are not the only debts we owe. There is an accumulative number of debts we think about, all too little — and they are not obligations to individuals or concerns. These debts we owe are to earth, and to God for His endless blessings.

It is impossible for us to go anywhere, or to look upon anything that doesn't hold some interest for us, but which costs us nothing to look upon. All of Nature's gifts are forever on display — and at no cost, beyond appreciation.

We owe a debt to our parents that nothing material could ever repay. And a big debt we owe to our friends who have been so kind and inspiring to us over the years. We are in debt to those whose lives have been given that freedom might live in the world. We are in debt to those who have given of their time and strength, as well as skill, in searching for means to conquer dread diseases. We are in debt to artists and writers who have helped to add richness to the mind.

What are we giving to others for all they give to us? How much it means to have been born and reared in a free land! How much we owe to those teachers in school for all the character they taught — something far more important than mere book knowledge. Oh, what a debt we owe to the hundreds and hundreds of authors whose books have been a source of joy and enlightenment over the years. I am sure this is the same debt millions owe. Next to the person himself is his book. Montaigne, the great French essayist, used to tell people that if they wanted to know him, all they had to do was to read his book.

Montaigne wrote but one book — his Essays — but it is one of the great books of the world. It is one of those deathless books, like Boswell's Dr. Samuel Johnson. The entire world is indebted to these two authors.

Tomorrow Mr. Adams will talk on the subject: "Order." Protected, 1955, George Mathew Adams Service.

DRESS INSTRUCTIONS

I've a letter from the board
Which explains in phrasing
clear
To each member queen and lord
What to wear when they appear.

All the men are asked to note,
Though the mercury is high:
In the dining room a coat
And a neatly knotted tie.

Though the ruling may seem
hard
And unreasonable, still
Shoes with spikes downstairs
are barred.

But permitted in the grill,
Though the ruling may seem
And in club and course take
pride.

Fat men wearing gaudy shorts
Will admittance be denied.

There is nothing said of curls
Or of gowns with open backs,
But I want to tell you girls
You must not appear in slacks.
You may be a lady fair
In a swim suit keeping cool,
But if such garb you wear
You must stay beside the pool.

With instructions for the men
As a member I'm concerned,
But I'm sure when I was ten
What was right to wear I learned.

With no letter from a club,
How to dress the way I ought,
When my face and hands to scrub,
By my mother I was taught.

ACCUSES ARMY OF CENSOR ROLE OVER YOUNG MEN

By ROBERT P. McHUGH

WASHINGTON (AP) — Norman Thomas charged today that the Army's security program has wrongfully fastened disloyalty labels on many young men and made it impossible for them to get jobs after being discharged.

The Socialist party chief, often a presidential candidate, joined in accusing the Army of "assuming the role of censor over all the nation's young men from approximately the age of 15 to 30."

He said a report on more than 100 cases affected by the security program would be handed to Asst. Army Secretary Hugh H. Milton II today.

Vet Official Joins

The report was prepared by Rowland Watts, Baltimore, and New York attorney and national secretary of the Workers Defense League. Thomas is a director of the league, which describes itself as an anti-Communist organization interested in the defense of civil liberties.

The two men were joined in the presentation by Kenneth M. Birkhead, national executive director of the American Veterans Committee. Watts said the report was based on interviews with lawyers and their clients from coast to coast. An Army allegation in one case, described as "still pending," was that the draftee had a father "who is reported to have said that if communism offered anything good he would accept it."

Hurts Chances Later

Watts said, however, that was only one of many allegations and

Plan Royalty Bill For Recreation Area

HARRISBURG (AP) — A plan to allocate up to five million dollars to the Forests and Waters Department from royalties received by the state for natural gas production on state forest land had House committee approval today.

The Conservation and Wild Life Committee forwarded the proposal to the floor for action. The funds would go toward creation and development of recreation areas.

The only one the lawyer in question would make available.

He said in many of the cases the soldier gets quasi-clearance through a "general discharge under honorable conditions."

But, he points out, such a discharge has imprinted upon it "SR 600-220-1 applies. This is the regulation pertaining to security, and 'any personnel man knows it,' said Watts. Consequently a youth with such a discharge has little chance of getting employment, he added.

Watts argued in his report that the cases he cited showed the Army is "assuming the role of censor over all the nation's young men from approximately the age of 15 to 30 by making pre-induction activities a major consideration in determining the character of the discharge which each shall have."

He noted that the control extends into the six-year reserve period following active service.

"A man has the right to a discharge based upon the kind of service he gave the Army. If the service was honorable, so should be the discharge," Watts said.

He concluded that the entire military security program, as it stands, should be scrapped and the Army made to "administer its own discipline within the framework of its constitutional and statutory powers."

AL Race Tightens As Tribe And Bosox Beat Yankees And White Sox; Phils, Brooks Win

By ED WILKS
The Associated Press

For a club that's just marking time, waiting for lightning to strike, those Cleveland Indians aren't doing bad at all.

They haven't had a chance to catch fire yet, not with Bob Lemon ailing and Al Rosen, Larry Doby and Vic Wertz in slumps, yet Manager Al Lopez has his defending champs in a second-place tie with the New York Yankees in the brawling American League race.

On top of injuries, Lopez had to wait until little more than a month ago before he could count on Mike Garcia again. But after losing six straight, Big Mike has won five of six decisions, including a dandy four-hit job against New York for a 2-1 victory.

A's, Orioles Split
With Boston thumping first-place Chicago 6-4, the Indians and Yankees are just one game shy of the White Sox. Boston is three games back.

Detroit stayed 3½ behind Boston, beating Washington 3-0. Kansas City split with Baltimore, winning 5-4 after a 4-3 defeat.

Brooklyn went 1½ games ahead again in the National, beating Milwaukee 9-6. New York knocked St. Louis 5-3; Philadelphia whipped Cincinnati 8-4, and Chicago split with Pittsburgh, winning 5-4 in 12 innings after losing 3-2.

Relievers Wrap It Up
Garcia, the league's earned run leader in '54, who lost his touch at season's start, needed help from Don Mossi and Ray Narleski after Mickey Mantle led off the ninth with a single. But the two relief aces wrapped it up in short order to protect the decision that ex-Yank Gene Woodling manufactured with a two-run homer in the fourth.

Bob Turley lost his 10th, giving three hits and striking out eight in his eighth frame, but again going wild. He walked eight, five of them in the first three innings when he stranded seven runners, and gave Al Smith a free ride ahead of Woodling's shot.

Boston three times battled back to tie the White Sox before Jackie Jensen delivered a two-out double for two runs in the eighth. Ted Williams, passed intentionally by reliever Millard Howell after Billy Goodman reached second on a single and error, scored all the way from first on the extra-base hit.

Two Homers For Minors
Minnie Mirowski snapped his slump with two homers for the Chicago, but Chicago couldn't do a thing as Tom Hurd wrapped it up with 2½ innings of one-hit relief.

Detroit remained in contention on rookie Frank Lary's two-hit, two-run performance. He didn't give a hit in the last 6½ innings, riding in on Fred Hatfield's homer and two RBIs by Frank House.

Gil Hodges and Don Zimmer each homered twice for the Braves. Hodges' pair were good for six runs. His grand-slammer in the first inning was the 11th of his career, one short of the league mark. The Braves, who lost Joe Adcock for the season Sunday, will e without Ed Mathews for three or four days. He cut a finger in an accident at his home.

17th For Roberts
The Phils banged across eight runs in the sixth, seven unearned, after being blanked for 2½ innings by Redleg pitching. Robin Roberts hung up his 17th victory.

Bill Virdon homered twice for all the Cardinals' runs, but they took their sixth straight defeat as New York scored four in the fifth on four singles and Don Mueller's double.

Harry Chitt's RBI single with two out in the 12th gave the Cubs their nightcap decision after Jerry Lynch's pinch double counted two runs for the Cubs in the ninth inning of the opener.

Rookie Bob Hale came through with a two-run pinch double in the ninth for the Orioles, who pulled a triple play in their first game success. The A's nailed three runs in the first inning to take the afterpiece.

Swimmers Win Titles At Philadelphia Meet
PHILADELPHIA (AP)—A Ridge-wood, N. J., girl and a Philadelphia boy each won three events last night in a meet sponsored by the Philadelphia Swimming Directors Society at Kelly Pool in Philadelphia's Fairmount Park.

Carlin Cone took the 200-meter individual medley event in 2:58.4, the 100-meter butterfly event for girls of 15 and 16 in 1:22.8 and the 100-meter backstroke for girls of 15 and 16. The Ridgewood girl was timed in this event at 1:19.6.

Frank Brunell of Philadelphia won three events in meets for boys of 15 and 16. He captured the 100-meter freestyle in 1:07.7, the 100-meter breaststroke in 1:23.3 and the 400-meter freestyle in 5:02.1.

Williams Smashes Lehigh Golf Record

ALLENTOWN, Pa. (AP)—Henry Williams Jr. of Berleigh Country Club won the annual pro-member best ball of foursome tournament at the Lehigh Country Club yesterday by breaking the course record with a six under par 64.

In second place was Buddy Heckman of the Manor Club in Reading with a 69. The previous record for the 5,480-yard course was 66.

TWO TRAGEDIES LEAD AAA TO LIFT SANCTION

WASHINGTON (AP)—Two automobile racing tragedies this year were given as factors in the decision of the American Automobile Assn. to withdraw its sanction of auto racing in the United States after this year.

Indications came that the National Assn. of Stock Car Auto Racing (NASCAR) may try to take the role AAA is leaving.

At Daytona Beach, Fla., Bill France, NASCAR president, said all AAA drivers and car owners are welcome to compete in NASCAR-sanctioned events if they meet qualifications.

The Sports Car Club of America was mentioned as a possibility of taking over sponsorship of the annual Memorial Day race at Indianapolis.

The death of Bill Vukovich, popular racing figure, at the 500-mile Indianapolis race this year was one of the tragedies mentioned in the AAA decision yesterday.

The other was that at Lemans, France, where 79 persons were killed and 91 injured in a racing accident that spilled into spectators.

The AAA has nothing against automobile racing itself, AAA president Andrew J. Sordani, Wilkes-Barre, Pa., said in announcing the decision.

May 30 Race To Go On
He added that the AAA felt that racing, with emphasis on speed, contributed little to one of the main objectives of the AAA: promotion of street and highway safety.

The AAA has given its sanction to only about 10 per cent of the auto races in this country, officials said, but these were the major ones, including the Indianapolis classic.

Anton Hulman Jr., owner of the Indianapolis Speedway, said the 40th annual 500-mile race will go on as scheduled next May 30.

YORK SPRINGS WINS LOOP TILT

Russ Griffie, Centerville moundsman, pitched no-hit, no-run ball for five innings before York Springs parlayed six hits in the last two frames in scoring seven runs to top Centerville, 7-4 in the Big County League Wednesday evening.

Johnny Weary yielded only three hits and struck out seven for McAllister in their 5-2 victory over Carlisle. Weary's battery-mate Roger Stambaugh led the attack with a single and a run producing double.

Eastern League
Eight and two-thirds innings of scoreless baseball pitched by lefty Art Murray enabled the Williamsport Grays to gain a full game in the Eastern League race with the Reading Indians.

Murray, who came to the rescue of Manager Larry Shepard in the first, was credited with a 6-3 victory over Allentown. Meanwhile, the league's leading Indians were having their troubles. Sixth-place Elmira pounded three Reading pitchers for 14 hits to win 11-6 and ended the Indians' five-game winning streak.

In other games, the Albany Senators downed the Johnston Johnnies 11-7 as lefty Bob Mische went to his third victory of the season.

The Binghamton Triplets hit three homers and resumed the league lead in that department. They bested the Schenectady Blue Jays 6-2.

White Sox outfielder Jim Rivera was credited with three assists in one game against the Kansas City Athletics. The major league record is four.

SON OF HANOVER STALLION WINS HAMBLETONIAN IN TWO HEATS

By ORLO ROBERTSON
GOSHEN, N. Y. (AP)—You'll have to pardon Hoot Mon, a 11-year-old stallion, if he holds his head a little higher as he canters around the pasture at Hanover, Pa., today. For his son Scott Frost is the toast of the trotting world after winning the 30th Hambletonian.

But Scott Frost couldn't quite match his old man's 1947 performance as he whirled around Good Time Park's triangular-shaped track in 2:01 3-5 and 2:00 3-5 yesterday for a straight heat victory in the glamor race of harness racing.

Hoot Mon himself won the 1947 renewal in two minutes flat, but Scott Frost's second heat time was the second fastest in the history of the Kentucky Derby of trotting. And on top of that the Hoot Mon-Scott Frost is the first father-son combination ever to put together a double in the rich event.

Was Crowd's Favorite
Hoot Mon also has the distinction of stringing Helicopter, a filly which carried off the honors in the 1953 renewal.

Scott Frost, purchased by Sol Camp of Shafter, Calif., as a yearling for \$8,200, was the favorite of the crowd of some 16,000.

He was poetry in action as he took the first mile by a half-length from Mrs. Charlotte S. De Van's surprising Leopold Hanover and then edged William T. Maybury's Galophone by a head in the second heat.

First Four Sired At Hanover
The victory was worth \$51,075.63 and boosted Scott Frost's total earnings to \$102,654.75. Leopold Hanover and Galophone split second and third moneys, winning \$14,997.06 each. And Butch Hanover, stablemate of Scott Frost, finished fourth in both heats for fourth money of \$4,256.05. The first

four were all sired at Lawrence B. Sheppard's Hanover, Pa., farm. "Best trotter I ever owned," said Camp, a California potato and cotton farmer. "I've had some good pacers but no trotter that could match Scott Frost."

Little Joe O'Brien, who although only 38 has been driving 25 years, admitted he was worried in the second heat after being boxed in fourth place for the most of the first three-quarters of a mile.

"I just couldn't get out," said the Alberton, Canada, native who now lives in Del Mar, Calif. "But once I did, Scott really flew. I only hit him a couple of times near the end."

O'Brien said he wasn't concerned the first heat although his margin over Leopold Hanover at the finish was only a half-length. "Leopold surprised me but I knew that I had too great a lead for him to overcome. This is the greatest horse I've ever driven."

PITCHING—Mike Garcia, Indians, gave just four hits, one a leadoff single in the ninth, before giving way to relief in 2-1 victory over Yankees.

HITTING—Gil Hodges, Dodgers, belted two home runs for six RBIs, one a grand-slam clout that put him one shy of the league career record of 12 bases-loaded shots, in 9-6 decision over Braves.

Laurel Conference Champs Clash Sept. 16 In Opener On Littlestown Gridiron

The six-team Laurel Football Conference today announced its complete schedule of circuit and exhibition games for the 1955 season.

The schedule opens September 16 with a game between the 1954 season's co-champions, West York and Littlestown. The remaining conference members, Dallastown, Susquehannock, Kennard-Dale and Biglerville, will activate their seasons soon after.

Donald Wissing, coach of the West York Bulldogs, is president of the Laurel Conference this year and announced that Biglerville will play its home games on Saturday nights while Littlestown plans to play its contests under the arcs on Friday nights.

No Coaching Changes
There were no coaching changes in the Laurel Conference as Rafe Nabors was recently appointed athletic coach of the wildcats of Dallastown High while Bob McCoy will guide the destinies of the Susquehannock Warriors. Bobby Brown will be at the helm of Kennard-Dale's grid squad.

Wilbur Gobrecht, former Hanover High and Dickinson College star, will again be coaching the Thunderbolts of Littlestown High and Bob Garrett will be handling the coaching assignment of the Cannons of Biglerville High.

Each team in the conference faces a well balanced season. All of the teams, with the exception of Susquehannock will play five conference games and four non-conference contests. Susquehannock at present has three non-conference tilts, but has not filled the dates of Sept. 17 and Oct. 8.

Play At Littlestown
West York and Littlestown finished the 1954 campaign in a deadlock and, since conference rules do not allow a play-off to determine a single champion, the two schools jointly reigned as kings of the conference.

First action in the conference will take place at Littlestown Friday Sept. 16, when West York's Bulldogs tackle the Thunderbolts of Littlestown and these two teams are eagerly looking forward to this meeting as a stepping stone towards the 1955 title.

Dallastown High and Susquehannock High will play non-conference games Saturday, Sept. 10, with Newport and Manheim Township. The former school will be at home.

Littlestown's non-conference opponents are York Catholic, Red Lion, Carson Long and Delone Catholic while Biglerville's non-conference battles are with Shippensburg.

Golf's Big Shots At Tam O'Shanter

CHICAGO (AP)—Golf's big shots were poised today for a par wrecking onslaught at the 6,915 yard Tam O'Shanter course, sun-baked by the prolonged broiling weather and regarded by most pros as "ready to be took."

A field of 149 started out on their expected massacre of the 36-36-72 par in the main section of the All-American Tournament, a \$25,000 preview of next week's "World Championship."

The "World" guarantees the winner \$50,000 in cash and \$55,000 for 55 exhibition dates.

The best 72-hole score ever posted at Tam was 269 by Byron Nelson in 1945's All-American. The course record for 18 is 63 by Lloyd Mangrum in 1948.

four were all sired at Lawrence B. Sheppard's Hanover, Pa., farm. "Best trotter I ever owned," said Camp, a California potato and cotton farmer. "I've had some good pacers but no trotter that could match Scott Frost."

Little Joe O'Brien, who although only 38 has been driving 25 years, admitted he was worried in the second heat after being boxed in fourth place for the most of the first three-quarters of a mile.

Carlisle Slayer Hearing Friday
CARLISLE, Pa. (AP)—A preliminary hearing will be held tomorrow for 60-year-old Percy Haines, charged with murder in the courtroom slaying of an attorney.

Meanwhile, Clinton R. Weidner, Cumberland County district attorney, indicated that Haines trial for the murder of John D. Falter Jr., 41, Carlisle attorney, would be docketed for the September term of criminal court.

Haines, Weidner said, signed a statement admitting he fired four shots in Cumberland County Court Tuesday, killing Falter, critically wounding his own estranged wife and injuring President Judge Mark E. Garber and George Back, 50, Chambersburg attorney.

Falter, associate attorney for Mrs. Lulu Haines, 60, died in Carlisle Hospital of chest wound about an hour after the shooting.

Just before the shooting, Judge Garber had ordered Haines to pay \$50 a month support to his estranged wife. Haines said he felt he got a "raw deal" on the decision.

GOP REFUSES COMPROMISE TAX MEASURE

HARRISBURG (AP) — Sen. M. Harvey Taylor, Senate president pro tempore, has rejected Gov. Leader's proposal for an income tax compromise and said Senate Republicans plan to kill the bill. "We're going to kill that tax bill for good," he told a newsman. "Then if there's going to be any compromise, we'll have to start from scratch."

Senate Republicans, with their 26 votes, can translate into action Taylor's prediction that the bill will be defeated irretrievably on a declared timetable that calls for a roll call tomorrow.

The governor, in a dramatic bid for Republican support, made a surprise personal appearance before the Senate on Tuesday and said:

"If the (income) tax schedule can be reduced at any point, I would urge that the benefits to earned income—to wage earners, farmers and the self-employed."

Two Possibilities
He didn't spell out exactly the terms of his proposed compromise. Administration sources speculated on two possibilities:

1. Reducing to perhaps 3% of 1 per cent or 1/2 of 1 per cent the proposed 1 per cent rate on wages and salaries with a \$1,000 a year cost-of-earning deduction remaining intact.

2. Cutting back to 1 per cent the 2 per cent rate he has proposed on the income of unincorporated businesses or professions such as the farmer, corner grocer or the doctor.

The same sources indicated that

the governor had nothing in mind about changing the other rates—4 per cent on rents, interest and royalties, 5 per cent on dividends and 6 per cent on capital gains and gambling winnings.

The governor told the Senate in his surprise speech that the state government is operating on a day-to-day basis because of the tax deadlock and that many payments of state aid to local institutions are due this fall.

Senate Will Recess
Meanwhile, the Democratic-controlled House—which passed the \$11 million dollar classified income tax July 26—went ahead with plans to recess this week until Aug. 29. The Senate is expected to join in the recess.

In the House, a straight party vote saw the Democratic administration pass the bulk of a \$5 million dollar industrial redevelopment program for the state.

Its keystone calls for creation of a 20 million dollar fund for the purpose of building industrial plant in economically distressed areas. The cost of the plants would be repaid to the state by industries who come and lease the facilities.

A revision in revenue estimates by Leader would be a concession to Republicans who all along have contended they are too low.

"If we can safely assume a continued high level of business profits, we may consider taking a calculated risk in the revision of our revenue estimates," the governor said.

But he emphasized that the budget cannot be "substantially reduced" because of what he said were "accumulated" deficits, commitments and needs.

Sen. Rowland B. Mahany, Senate Republican floor leader, later offered to sit down with Leader and work out a solution to the tax problem.

SHOEMAKER WINS \$32,000

NEW YORK (AP) — Could you answer this question:

What Verdi opera started Arturo Toscanini on his career as a conductor; in what country did he conduct it; where was the opera first performed and on the eve of what holiday was that premiere?

The correct answer was worth \$32,000 to Geno Prato, an Italian-born Bronx shoemaker, on a television quiz show Tuesday night.

Without hesitation the lifelong opera enthusiast gave the right reply — Aida; Brazil; Cairo, Egypt, and Christmas Eve.

This doubled Prato's previous winnings on the CBS show, "The \$64,000 Question," and entitled him to come back next week to try for the top prize of \$64,000.

Prato, 55, had the choice of taking \$16,000 won the week before or risking it on the chance of doubling his money with last night's question.

In Isolation Booth
Announcing his decision to try for \$32,000, Prato said, "With God behind me all my life, I think I will try."

To keep the audience from signaling or calling out any help, Prato was ushered into an "isolation booth" on the stage. He crossed himself as he stepped inside.

Next week he again has the choice of accepting the prize money won to date or taking a

Saperstein Denied Jersey Licenses

TRENTON, N. J. (AP)—Charles R. Howell, New Jersey Commissioner of Banking and Insurance, says Louis B. Saperstein cannot get an insurance agent's or broker's license until he clears himself of charges of giving kickbacks to union leaders.

Howell told a reporter on Tuesday he has reversed a decision by his Department's Licensing Division, which held early in the year that Saperstein could be licensed as a broker for 1955. He said that later on in May, Saperstein let his agent's license run out without applying for renewal.

Saperstein, a 45-year-old Newark insurance broker, refused to answer questions before a New York grand jury investigating union welfare funds. He was sentenced to five years in prison and is appealing.

chance on the final question. This will again be a question about opera, since that is the category Prato designated when he first appeared on the show.

If he chooses to try the question and misses, he will get an automobile for a consolation prize. Thus far no contestant on the program has tried for the top prize.

Prato said he will use his winnings to take his family back to Italy to visit his 92-year-old father, who lives near Genoa.

SCIENTISTS SET ROCKET TESTING

By PETER SEYMOUR

LONDON (AP)—A British scientist revealed American scientists will try to create "artificial moonlight" 60 miles above the earth during experiments in New Mexico, probably next month.

Prof. D. R. Bates made the statement in disclosing that British scientists are considering the same experiment, which involves release of sodium vapor from high altitude rockets.

Set September Date
Bates is a member of the department of mathematical physics at Queen's University, Belfast, who will lead one of five university groups taking part in British rocket research programs. He worked for six months in 1940 at the California Institute of Technology.

Bates said the American experiment will probably be tried by the Americans on Sept. 6 or 7 in New Mexico.

There are difficulties in releasing the sodium vapor. Boiling of the metal to release the vapor has been suggested but it has proved troublesome, he declared.

"The Americans may release a grenade from a rocket which, on exploding, would vaporize the metal," Bates said.

The Royal Society, the leading body of British scientists, disclosed that Britain is entering the

Russell Addresses World Science Group

LONDON (AP) — Bertrand Russell told the opening session of a world conference of scientists Wednesday nuclear warfare probably would "create a planet destitute of life, except for a few moose and fungi."

The silver-haired 66-year-old philosopher introduced a resolution appealing to governments to acknowledge that their aims cannot be advanced by world war and to scientists to find ways of telling the unscientific world what the effects of nuclear war would be.

Four Russian scientists attending the conference followed intently Russell's speech through earphones carrying a simultaneous translation. They frequently burst into applause.

PREPARE FOR FUNERAL

POTTSVILLE, Pa. (AP) — Funeral arrangements were being made for John Schumaker, 56-year-old mine operator and stripping contractor, who suffered a fatal heart attack Tuesday while on a business trip in Amherst, Mass.

Schumaker was found dead in his bed in an Amherst inn.

A native of Hazleton, he operated the Kemble colliery, near Begonia. His widow and three sons survive.

field of exploring the earth's upper atmosphere with high altitude rockets.

SEEK RECESS APPOINTMENT

WASHINGTON (AP) — Backers of C. William Kraft Jr. were optimistic today that the Delaware County, Pa., lawyer will receive a recess judgeship appointment from President Eisenhower.

Kraft's nomination to be a U.S. district judge in eastern Pennsylvania was one of the casualties of the congressional adjournment rush. But one person very close to the situation said it seemed certain that Eisenhower would make the recess appointment and that Kraft would accept it.

If such occurs, Kraft would serve until sometime next year, when Eisenhower would be required to submit his nomination to the Senate again. If the Senate then refused to confirm him he would, of course, have to leave the bench.

Kraft, former Delaware County district attorney, was nominated

by Eisenhower in May along with Francis L. Van Duzen, John W. McIlvaine and Herbert P. Sorg. All were U.S. district judgeship nominations—Van Duzen to serve in eastern Pennsylvania and McIlvaine and Sorg in the western part of the state. Van Duzen, McIlvaine and Sorg were confirmed. Though Kraft was highly praised and enthusiastically endorsed, some criticism of his past was voiced at a Senate judiciary subcommittee hearing. The subcommittee approved his nomination but the full committee did not act before the adjournment speedup got under way.

In the past year Virginia Tech was unbeaten in nine football games and in eight wrestling matches.

LELOIR REJECTS TRUCE TERMS IN FIRST SPEECH

BUENOS AIRES, Argentina (AP)—The Peronista party's new chief last night rejected terms for a political truce laid down by President Peron's foes. Peronista leader Alejandro Leloir termed the opposition demands "insolent and unacceptable."

Leloir's nationwide broadcast, first since he was elected party head last month, replied to a broadcast last week by Radical Party President Arturo Frondizi. The latter had answered Peron's previous plea for an end to political warfare by demanding sweeping government reforms and restoration of constitutional guarantees suspended for nearly four years under a "state of internal war."

Leloir declared that "neither the incomprehension of some nor the bad will of many will veer us from the aims enunciated by the President." He accused the Radicals of being unwilling "to sacrifice their hatred in behalf of the common interests of the nation."

The government canceled two broadcasts by Radical leaders this week, saying they had not submitted their texts 48 hours in advance.

The opposition opened up in the

Chamber of Deputies, however, with a move to spike Peron's campaign against privileges of the Roman Catholic Church in Argentina. Radical Deputy Oscar Alende introduced a bill yesterday to re-

peal the law authorizing a constitutional convention to end Catholicism's status as the state church. Since the abortive June 16 revolt, the government and the Peronista press have curtailed sharply their

attacks on the church. There has been no indication, however, that Peron doesn't want the constitutional convention to meet.

Jobs Left Undone By Congress Promise Lively Squabbles In 1956; Many Major Bills Stalled

By JOE HALL
WASHINGTON (AP)—The things Congress left undone, a big part of the story of this year's session, promise lively squabbles in 1956. Fourteen important measures President Eisenhower asked for did not reach his desk. Several other major bills also were left hanging.

All pending legislation will be alive when Congress returns Jan. 3.

Highway Bill Leads Last

Perhaps the most important Eisenhower bills stranded were those to start a multibillion-dollar expansion of the nation's highway building program and to aid in local school construction.

The Senate passed a road bill which omitted the bond-financing feature supported by the President. The House became snarled over how to pay for the new highways and passed no bill.

Neither branch passed a school construction bill, although the House Education Committee approved one in the closing days of the session. In Senate committee, the measure remained snarled in a dispute over an anti-segregation provision.

Passed One Branch

These were administration bills which passed only one branch. Upper Colorado River authorization—passed Senate, approved by House committee.

Customs simplification—Passed House, tied up in Senate Finance Committee.

Pay increase for Cabinet officers and several hundred other top government executives—Passed House, died in the Senate last night.

Military survivors benefits—Passed House.

Failed To Pass

These were measures asked by the President which neither body passed:

A constitutional amendment to lower the voting age to 18 in federal elections.

Revision of the Taft-Hartley labor-management relations law.

An increase in postal rates to reduce the deficit of the Post Office Department.

A federal reinsurance program to bolster and expand private health insurance plans.

Hawaiian statehood—The House voted down a combined Hawaiian-Alaskan statehood bill.

Liberalization of Refugee Relief Act.

Atomic peace ship—The House passed an atomic merchant ship bill, but not the demonstration vessel asked by the President.

Program of loans and other aids to low-income farmers—One minor measure passed Congress, but the principal legislation was not acted on.

In addition, several major bills which largely originated among the lawmakers failed to win final passage this session, but most of them are certain to be revived early next year.

These includes bills to provide new social security benefits for women over 62 and disabled workers over 50, to exempt natural gas producers from federal controls, to restore rigid high price supports on basic farm products, to cut income taxes chiefly for low-income families, and to increase quotas for domestic sugar producers.

All five of these passed the

SETTLEMENTS RAISE HOPES OF PEACE IN CHINA

By JOHN M. HIGHTOWER

WASHINGTON (AP)—The Eisenhower administration is moving with unexpected speed to make with Red China a series of settlements which may eventually produce far more peaceful conditions in the Far East.

Diplomacy and polite dealings appear to be displacing loud talk and threats. This parallels the U.S.-Russian relations at the Geneva summit conference.

If further negotiations with Peking develop, as seems likely, the United States may soon face basic questions of relations with Red China which have been hot political issues and have raised difficulty with allies in the Far East.

The situation began to develop publicly with the announcement last week that ambassadors of the two countries would meet at Geneva to negotiate on release of Americans in Red China and on other practical matters of mutual interest. Just as the Geneva meeting began Monday, Peking announced the release of 11 American fliers whose captivity was to have been a primary subject of the talks.

This greatly increased hope of an improved Far Eastern prospect for peace and of success in negotiations for the release of at least 40 American civilians held by the Chinese Reds.

On Tuesday Secretary of State Dulles said such events "might mark the beginning of a new phase in Chinese Communist relations with the rest of the world."

If the Chinese Communists will live up to the United Nations Charter, Dulles said, they will make themselves eligible to negotiate on topics about which civilized nations normally do negotiate.

Any further negotiations probably would involve the tough questions of Red Chinese membership in the U.N., U.S. recognition of Peking, and restrictions on trade.

House this session, but were not acted on in the Senate, except for the income tax reduction, which was killed.

Milwaukee Pastor Is Accused Of Heresy

MILWAUKEE (AP)—A young Milwaukee area Lutheran pastor was suspended from his pulpit on Tuesday on recommendation of a church trial board which had found him guilty of heresy.

The Rev. George Crist Jr., of Durham, in nearby Waukesha County, was tried and convicted by a trial committee of the United Lutheran Church's northwest synod last week. A second pastor in the same synod, the Rev. John Gerberding, 33, of Menomonee Falls, is accused of similar doctrinal deviation and faces a trial before fellow clergymen later this month.

MAJOR BILLS CONGRESS HAS SENT THROUGH

WASHINGTON (AP)—Major legislation on which Congress completed action Tuesday included:

Housing—Ignoring last-minute White House objections to its form, the House completed action on an omnibus housing bill providing for 45,000 public housing units during the next year. A 187-168 roll call vote passed the bill, approved a day earlier by the Senate.

The public housing section was

a compromise. The House had voted earlier to knock out all public housing and the Senate had approved a more liberal program than that carried in the compromise. Eisenhower had asked 70,000 units over a two-year period.

30 Millions For Vaccine—White House objections centered on provisions for FHA loan insurance for trailer camps and federal loans for local public works and fire-police projects.

Polio—Congress authorized federal spending of 30 million dollars to help the states provide free Salk polio vaccine for needy children.

Small Business—With little debate and by voice votes, both branches acted to extend for two years the life of the Small Business Administration. The bill increases

the limit on loans to individual firms from \$150,000 to \$250,000.

Appropriation Bill

Defense Production—A compromise bill to extend the Defense Production Act for one year was worked out in less than an hour by Senate-House conferees. The measure then quickly cleared both branches by voice votes.

Transit—A compromise bill aimed at ending Washington's 34-day bus and streetcar strike cleared both branches. It would enable District of Columbia commissioners to arrange for transit service during the next 12 months by the struck Capital Transit Co. or some other firm. The District would make up any financial losses during this period.

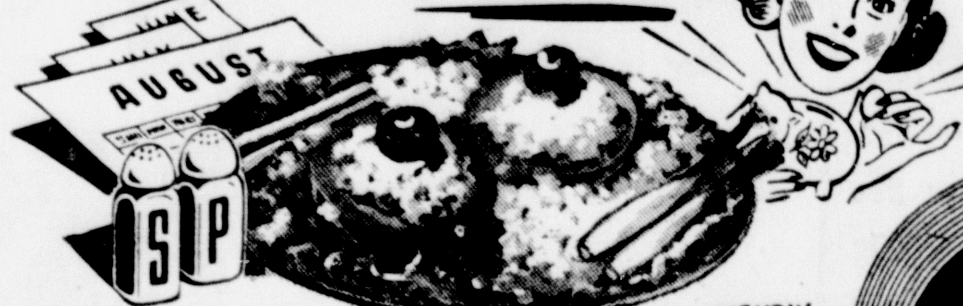

Congress Money—Congress

quickly passed a compromise legislative appropriation bill that had been bogged down for several days by a squabble over pay raises for congressional employees.

Tom's Church WSCS Meets On Monday

The Women's Society of Christian Service of Tom's Creek Methodist Church met in the church dining room on August 1. The meeting was conducted by the president, Mrs. Ethel Baumgardner, with eighteen members present.

Mrs. Irma Glass was in charge of the devotional program, the theme being "In Street, Shop and Tenement." The program opened by singing, "Beneath The Cross of Jesus." Mrs. Dorothy Valentine read a portion of scripture. Mrs. Glass led the group in prayer. The worship program was concluded by singing "Take Time To Be Holy." The devotional program was followed by a business meeting. Mrs. McCauley reported on classes she attended at Western Maryland College last week, and also discussed the parables of Jesus, and the women of that time. At the same time the official board of the church conducted the business of the church.

At the conclusion of the meetings, refreshments were served by Mrs. Cora Moser and Mrs. Bertha Hahn to the combined groups.

Fox Noses At Meeting Irk Commissioner

HAGERSTOWN, Md. (P) — The president of the Washington County Board of Commissioners has threatened to resign unless the board holds its meeting in a less confusing atmosphere.

The board meets once a week, all day long, in the same room where other county employees carry out their duties.

W. Lee Elgin, 63-year-old board president, says there's just too much uproar.

Deeds are recorded in the room. Dog licenses are issued. And now bounties are paid there to persons bringing in dead foxes. What's more, the foxes noses are slit in the same room—to prevent "repeaters"—and Elgin finds this more than he can stomach.

25 NEW POLIO CASES
HARRISBURG (P) — The State Health Department said yesterday that 25 cases of polio were reported in Pennsylvania during the week which ended Tuesday. The total number cases reported

so far this year now stands at 161 compared with 133 for the same period last year.

George, Rayburn, Johnson, Democrats, Big Factors In 1955's Session Of Congress

By JAMES MARLOW

Associated Press News Analyst WASHINGTON (AP) — Every session of Congress produces at least one dominant figure, dominant in the sense of being effective or being in the spotlight. This year's session produced three dominant men who were outstandingly effective.

All three were Democrats: Sen. Walter George, 77, of Georgia; Sam Rayburn, 73, of Texas, speaker of the House; and Sen. Lyndon B. Johnson, 47, of Texas Democratic majority leader of the Senate.

Democrat George was Republican President Eisenhower's chief reliance in Congress on foreign affairs. George is chairman of the Senate Foreign Relations Committee.

Johnson and Rayburn, as bosses of their respective houses, ran Congress.

Minimum Of Fuss

They, more than anyone else in Congress, steered through to passage the year's bundle of legislation with a minimum of fuss and fever.

That these three men — all quiet, undramatic, unselfish — should be the outstanding men in the Capitol in 1955 is the best evidence that this was a peaceful and businesslike year in Congress.

All three were creative in the sense that they were for something; they backed programs.

Very often it's the men who make a record for being against something — Like Sen. McCarthy (R-Wis.), who cheerfully attacked both the Truman and Eisenhower administration — who are dominant in the sense that they monopolize the spotlight.

McCarthy On Skids

The spotlight's full glow was on McCarthy last year as it was ever

since 1950 when he began making his charges of Communists in government. Last year, however, he had to share the center of the stage with the two men who put the skids under him: Flanders of Vermont and Watkins of Utah, both Republicans.

This year McCarthy, Flanders and Watkins all disappeared back into the comparative obscurity from which they had emerged.

George's influence and prestige on the side of Eisenhower came at a handy time for the President, whose own Republican Senate leader, Knowland of California, was frequently critical of his ideas on foreign affairs.

As George, without bluster, took full control in the foreign field in the Senate, Knowland had less and less to say and disappeared further into the background.

George For Ike

George went down the line for Eisenhower and at least once seemed to provide the nudge that pushed Eisenhower into action. It was George who first suggested the President meet with the Russians a few weeks before Eisenhower agreed to it.

Johnson and Rayburn are as fine a pair of professionals as in getting legislation passed or blocked — as Congress has seen in at least a generation. Both work quietly behind the scenes lining up votes and agreements.

Under Johnson's guidance the Senate astonished itself with the amount of work it got done with a minimum of argument.

Start Working On Littlestown Road

The L. M. Hutchinson Co., Mt. Union road building contractors, Tuesday started work on the rebuilding of the Hanover-Littlestown highway from the western end of Pennville to a point just west of the intersection of the Sells Station Rd. The highway from that point to Littlestown was rebuilt last year.

FARM CALENDAR

Reduce Range Labor—Daily labor items on your poultry range are watering, feeding, and closing and opening shelters. Water is most easily and economically provided with range floats, if water pressure is available, according to Robert Lauffer, Penn State extension poultry specialist.

Mulch the Garden—Mulch reduces the need for cultivation and weed control in the garden and retains moisture for growing plants, reminds James Dutt, Penn State extension vegetable specialist. He suggests use of straw, old hay, straw manure, lawn trimmings, or other litter. Do not apply during rainy weather.

Control Beetle—Apply rotenone liberally and often during the season to control the cucumber beetle, urges John Pepper, Penn State extension entomologist. Put it on the under sides of leaves as well as tops. Cover the ground under the plants so some of the dust will get in cracks and kill larvae feeding on the roots.

Sanitation Pays—Sanitation is better than any other method of control when hogs are infested with roundworms, says Dwight Younk, Penn State extension swine specialist. A strict system of sanitation will prevent most of the damage caused by these worms, he reminds.

Produce Good Eggs—Top quality eggs can be produced in hot weather, declares Robert Lauffer, Penn State extension poultry specialist. Use clean nesting material, gather eggs at least three times daily and cool rapidly. Provide ample humidity.

Check Machine—If you have a mechanical silo unloader, now is a good time to prepare it for trouble-free performance next winter, says Joseph McCurdy, Penn State extension agricultural engineer.

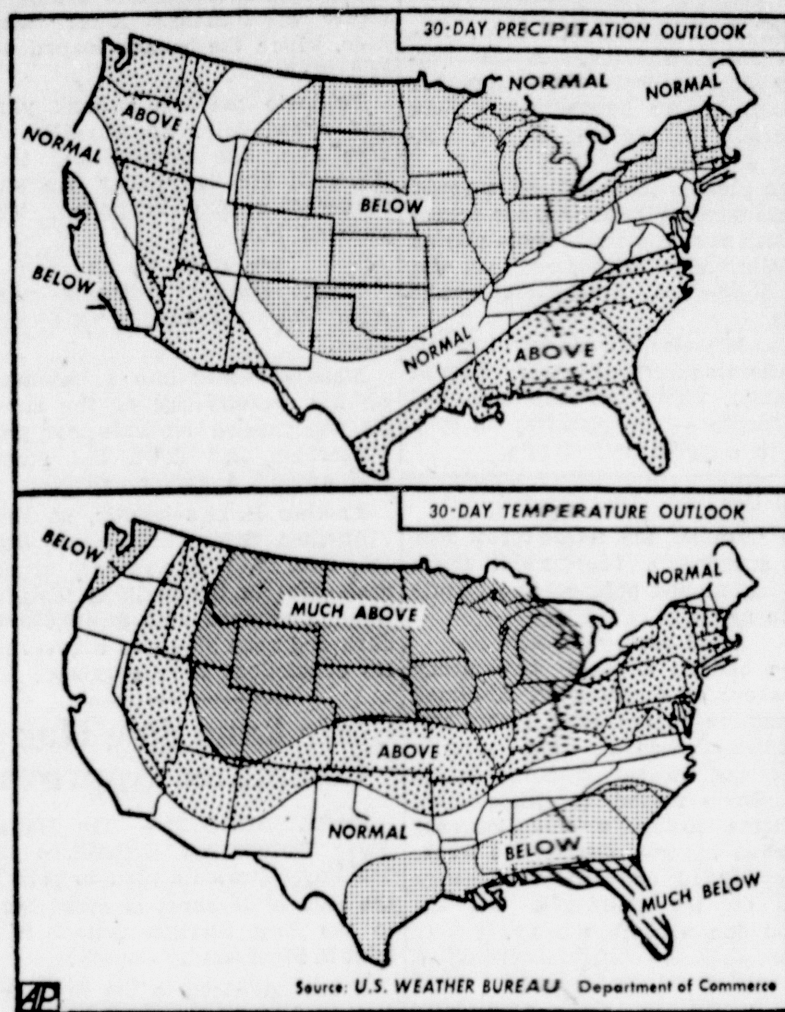

Protect Metal—One coat of metallic zinc paint, followed in three years with a second coat, will protect zinc or galvanized surfaces from rust for about 10 years, Joseph Mc-

Curdy, Penn State extension agricultural engineer, suggests a paint with 80 per cent zinc dust and 20 per cent zinc oxide in the pigment.

Manage Farm Fish—Fishing in farm ponds can provide a lot of fun for farm families, along with their neighbors and fisherman friends. For the best results, however, the fish in farm ponds must have the management and attention they need, says Robert Wingard, Penn State extension wildlife management specialist.

Seeds Meet Test—To provide Pennsylvania farmers the very best small grain for seed purposes, seed certification includes a rigid field inspection, reports Elmer Pifer, Penn State extension agronomist. There

Stakes for Flowers—Choose carefully materials for staking and tying plants in the flower garden, reminds A. O. Rasmussen, Penn State extension ornamental horticulturist. If wooden stakes are used, keep them shorter than the plants.

Guard Shot; Loot Recovered; Catch Pair In Brinks Holdup

BUFFALO, N.Y. (P) — Three armed men ambushed a Brink's armored car, shot a guard and made off with \$160,000 in race-track receipts last night. Two were captured after a gun battle. The loot was recovered.

The bandits, clad in silk-stocking masks and armed with a sub-machinegun, broke into the Brink's, Inc., garage and vault before the car arrived with almost \$498,000 in receipts from the Fort Erie race track just across the Niagara River in Canada. Three Brink's employees were on the truck.

Two of the holdup men were captured a half hour later after an 11-block running gun battle.

Shot In Chest

"I thought I was a dead man," said Eugene Clohessy, 27, the wounded guard.

"Saw 'em and pulled my .38 but before I could fire a shot the guy

with the tommy gun got me in the shoulder."

Clohessy was reported in good condition at Emergency Hospital today with a chest wound.

The bandits were identified by police as Anthony Pettinato, 39, Baltimore, and Sylvester Mazella, the Bronx.

They were held without charge.

Seek Third Thug

An alarm was sent out for James Sheridan, alias Jim Salemerio, of New York City.

Pettinato and Mazella were captured in private homes. The third man, believed to have been wounded, fled around a corner, staggered into a house and told the occupant he had suffered a heart attack. A half hour later he called a taxi and escaped. Police said all three had records.

Police gave this account of the robbery:

Were Unloading Boxes

Guards Stanley J. Kiodzinski, 32, Kenneth A. Kemp, 31, and Clohessy drove up to the garage and vault with the Fort Erie receipts in six strong boxes. They were met at the driveway by guard Edward J. Thompson.

Clohessy entered through a side door. He passed through four security-lock doors to a turret from which the main garage door is controlled.

Kemp drove into the garage. As Clohessy locked the heavy garage door, the others began to unload the locked boxes.

Sounds Alarm

The three bandits leaped from behind a parked armored truck. They covered the guards with a sub-machinegun, a carbine and a pistol.

"All right, line up against the wall," one ordered. "We mean business. We'll blow your brains out."

Clohessy opened the security turret door and was sent reeling

Spots Nudes And An Illegal Fire

SANTA BARBARA, Calif. (P) — Miss Ethel Wheeler, a U.S. Forestry Service lookout, swept her binoculars over Santa Ynez Peak yesterday looking for a fire. Suddenly she froze.

The glasses focused on a young couple dancing in the nude around a camp fire. The man was playing a violin. Miss Wheeler said, and his companion made ballet-like leaps.

Miss Wheeler telephoned Forestry Service Patrolman Everett Marshall, who hiked up and cited the couple — for having an open fire in a prohibited area.

back by a machine-gun slug. He slammed the bulletproof door and sounded a telegraph alarm that summoned police and private police agencies.

Find Money Boxes

The bandits shoved two money boxes out of a window, disarmed the captive guards and leaped out. Clohessy opened the security turret and handed Thompson his gun. Kemp ripped a pistol from an arms locker and Kiodzinski retrieved his gun from the truck.

They found one of the money boxes on the sidewalk and the second one a block away.

The bandits commandeered a car but it wouldn't start. Then they turned to an automobile driven by Edward Craven, 42. He was riding with his wife Ruth, 41, and daughter Eileen, 10.

Commanded Car

One of the bandits told Mrs. Craven: "Don't worry, lady, we won't hurt you. We need a car and we'll have it back to you in a little while."

The pursuing guards turned into the street at this moment and opened fire. They pursued the car

and exhausted their ammunition. Then a police car joined the chase.

The cars squealed into a narrow street of Buffalo's lower West Side, where the bandits leaped out and scattered.

Pettinato ran into a back yard and asked Mrs. Angelo Alba to hide him. She refused and fled. He went into her cellar. He surrendered meekly to police, who pursued him.

Big Hand In '50

"Don't shoot," Pettinato cried from the basement. "It's me, Tony."

Mazella dashed into a basement on the opposite side of the street. He was flushed out with tear gas. Sheridan fled down the street and around a corner.

Another Brink's holdup, at Boston, Jan. 17, 1950, was the largest cash haul in the nation's history. Bandits escaped with \$1,219,000 in cash and none of it was recovered. No convictions were obtained.

State Land Sale Has Committee Approval

HARRISBURG (P) — The House State Government Committee on Tuesday approved a plan to permit the sale of 15 acres of state land to the East Norriton School District in Montgomery County.

A bill advanced to the floor for a possible final House vote the week of Aug. 29 applies to and along Germantown Pike presently under the jurisdiction of Norriton State Hospital. It is located in East Norriton Twp.

Rep. Thomas H. W. Jones (R-Montgomery), a co-sponsor of the measure, said the committee amended the bill to provide that the school district would have to place a fence around the tract when it took possession.

WEEPS AT NEWS OF FREED SON

LEWISBURG, Pa. (P) — An excited and happy Mrs. Hurley Baumer broke into tears when told by The Associated Press early today that her son Maj. William H. Baumer, one of 11 American airmen held prisoner by the Chinese Communists, had crossed the Hong Kong border to freedom.

But Mrs. Baumer's tears of joy turned to tears of bitterness when she was informed that Maj. Baumer was on crutches.

"Oh no, my boy on crutches. They didn't take good care of him, did they," she sobbed. "I knew he had lost five toes but thought he was otherwise all right."

In the last letter she received, a week ago, she said he sounded as though he was "in good health and coming back to me safe."

Mrs. Baumer said she would start making plans to meet her son when he arrived on the West Coast in a few days as soon as she received word from the government.

A bachelor party was given that same evening for Mr. Gorman at the Glendale home of Mr. and Mrs. Arnold.
